

How To Install NAP Lockdown Browser

Step 1: On your Students Device Navigate to their Student Home Page

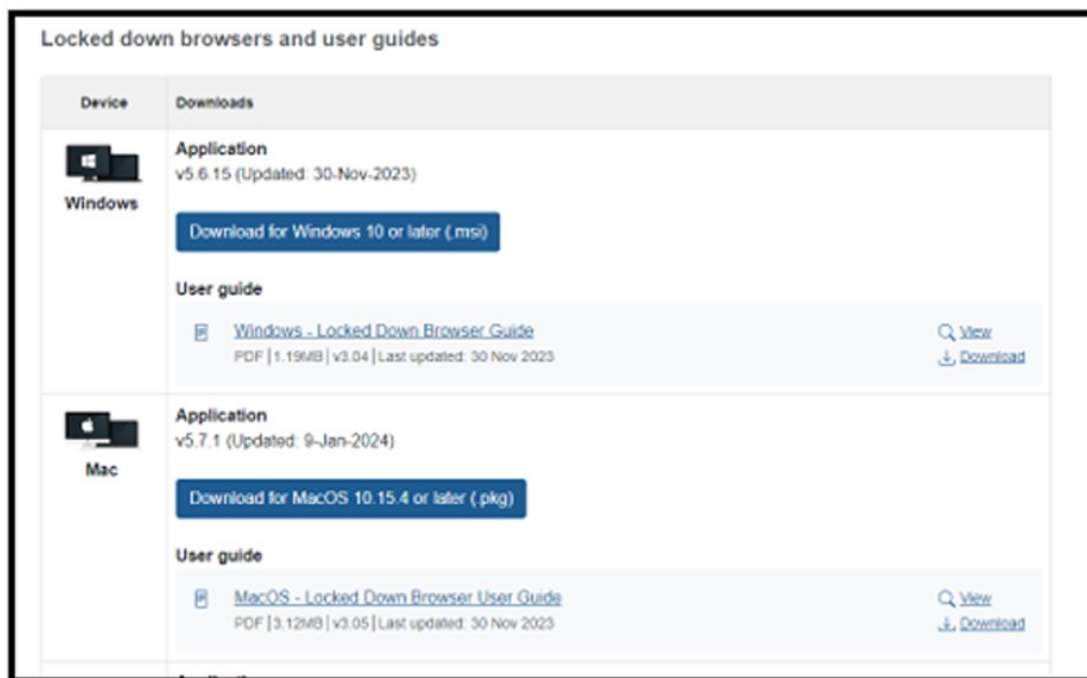

Link: <https://qedu.sharepoint.com/sites/2043/student/>

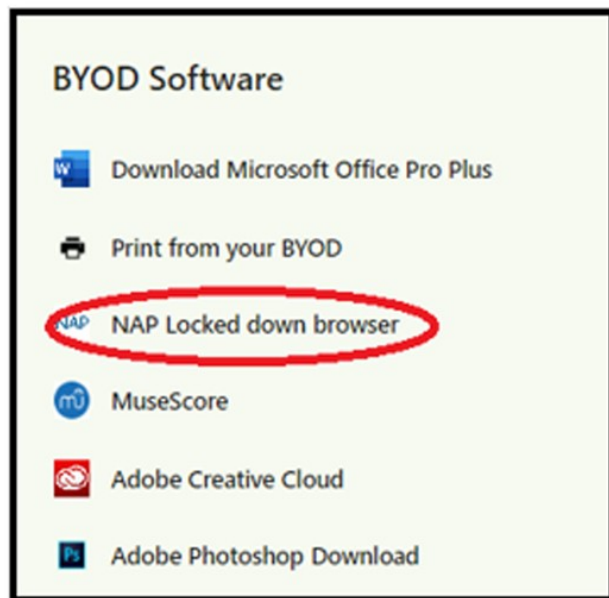

Step 3: Scroll Down to Locked Down Browsers and User Guides and Select

For Windows: Select Download for Windows 10 or Later (.msi)

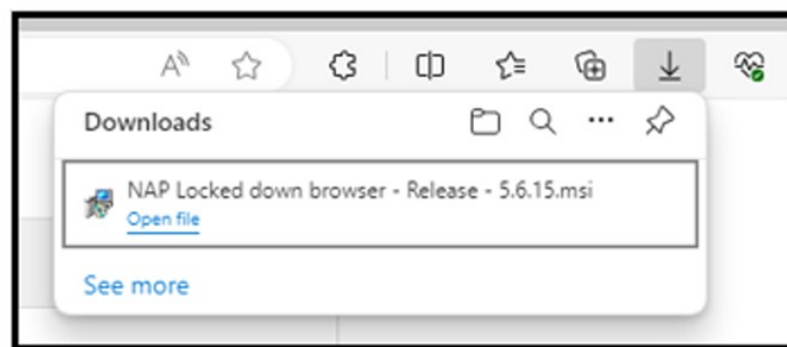

For Mac: Select Download for MacOS 10.15.4 or Later (.pkg)

Step 2: Scroll Down to the BYOD Software Section and Select NAP Locked Down Browser

Step 4: Once the Download is Complete Select Open File and Complete the Installation

NOTE: THIS MAY REQUIRE YOUR PARENT ADMIN LOGIN DETAILS TO COMPLETE
