BYOD POLICY

From the beginning of 2015, Balmoral State High School has operated a Bring Your Own Device (BYOD) program for most year levels within the school.

In 2019, this program will be extended to all grades from Year 7 – 12. The devices help schools engage in the digital generation by nurturing individual learning experiences and 21st Century Skills

To purchase a device for your child, we offer a variety of devices through our partner portals from JB Hifi Education and Dell:
