## BYOD POLICY

From the beginning of 2015, Balmoral State High School has operated a Bring Your Own Device (BYOD) program for most year levels within the school.

In 2019, this program will be extended to all grades from Year 7 – 12. The devices help schools engage in the digital generation by nurturing individual learning experiences and 21<sup>st</sup> Century Skills

To purchase a device for your child, we offer a variety of devices through our partner portals from JB Hifi Education and Dell:

### Unsuitable Devices

The school does not recommend bringing the following devices into the school as they are known to be incompatible with the EQ network –

- Google Chromebooks – require Google Drive/Docs which is blocked by EQ policy.
- All Apple devices.

## **Software**

Please have the following installed at the start of the school year:

**Microsoft Office 365** - use your EQ username and password for free access

<https://portal.office.com/OLS/MySoftware.aspx>

**Adobe PDF Reader**

<https://get.adobe.com/reader/>

### **Programs As required (subject specific)**

**Lego EV3 Education**
