Year 7-12 Student Enrolment Out of Catchment

Balmoral State High School is an enrolment managed school. To be eligible for direct enrolment, you need to be residing in our catchment area. However, we welcome all families to express interest in seeking an enrolment in our range of diverse academic and sporting programs. These applications will be considered through an enrolment review process aligned with Education Qld requirements.

Application fee

An application fee of \$100 applies to students seeking enrolment from outside the school's designated catchment area. Payment of this fee ensures that the application will be formally considered by the Enrolment Committee; however, it does not guarantee an offer of enrolment.

The Enrolment Committee has sole responsibility and discretion for all enrolment decisions. If a place cannot be offered in the year level requested, the applicant will be placed on the school's waiting list for 12 months. After this period, a new application will be required should the applicant wish to be considered for enrolment.
