

PRINCIPAL ADDRESS & STUDENT PANEL: 3:30PM & 4:30PM Q BLOCK

SCIENCE

iG05/iG06

Spark the scientist within as you explore activities such as the 'Screaming Spoons' and Flame tests!

MATHEMATICS

iG01

Come and participate in engaging activities, interactive games and solve puzzles relating to Maths.

ARTS

iG02/iG03

Explore the amazing work of our most creative students and staff in our Arts Hub.

Enjoy the musical talents of our small ensembles throughout the afternoon.

ENGLISH

i104

Visitors to our English department will be getting to know our dynamic team by solving some fun crimes; have the chance to be interviewed live in our very own Balmoral Book Banter (BBB) mobile studio; and participate in other playful activities.

JAPANESE

i108

Step into the world of ancient Japan and dress up as a legendary Sumo wrestler or an elegant Geisha and strike a pose! Discover the culture, the tradition, and the stories behind the costumes.

Fold, draw, and watch paper come alive! Try your hand at origami and shodou — the ancient Japanese arts of paper folding and brush calligraphy.

TECHNOLOGIES

M BLOCK COURTYARD FOOD & NUTRITION/ HOSPITALITY

Make your senses come alive with our sugar cookies and edible printing!

FASHION

Embroidery machine display and demonstrations throughout the afternoon.

i203 DESIGN TECHNOLOGIES

See how we use 3D printing to generate and create a range of products.

HUMANITIES

i105/i07 BUSINESS

Think you've got what it takes to run the boardroom? Step into our business challenge and put your entrepreneurial instincts to the test. Negotiate, strategise, and make the calls that separate the visionaries from the rest. Your empire starts here!

GEOGRAPHY

Stripes, stars, crescents, and colours- every flag tells a story. How many can you name? Race against the clock in our flag-guessing challenge and find out if you're a true global citizen.

HISTORY

Time travel with Balmoral SHS school and staff historical artefact exhibit, full of treasures and wonders donated by our school community, from 2000 year old Roman coins to 90s nostalgia!

LEGAL STUDIES

Put your legal instincts on trial as you match real offences to their maximum sentences under Australian law.

EXCELLENCE PROGRAMS

iG04

BOEING

Balmoral State High School is the only school in Queensland to offer an Excellence Program that forges real-world problem-solving skills with the expertise and assistance of Boeing Australia. Come and see the work of our students to tackle issues like: Moon Habitation, Space Junk and Skins design for Unmanned Drones.

DEBATING

QDU debating is one of our gifted and talented programs in the school that includes students from Year 7 right up to Year 12. Come and hear all about the debating fun!

HORIZONS

Horizons Academy is our Year 7 introduction to real-world problem solving for our gifted and talented students. Come and see our work with local and national organisations to address issues for which they are seeking fresh ideas.

ACCESS CENTRE

A BLOCK

The Access Centre supports students with diverse learning needs through personalised programs, dedicated staff, and inclusive practices—ensuring every student has the tools, confidence and care to thrive academically,

AVIATION & ENGINEERING

i203/i204

Calling all future engineers and aviators! Jump in the hot seat with our Flight simulators. Take the Engineering Challenge – Benchtop Catapults!

WELLBEING TEAM

ENTRANCE, STUDENT SERVICES, OUTSIDE iBLOCK WALKWAY

Be welcomed by our Balmoral SHS student support team with apple slinkies, yard games, a music speaker, brochures, parenting tips, transition to high school, mental health resources, Homestay information, IT Support and the uniform store.

FIRST NATIONS

Experience a range of First Nation experiences at Balmoral including wooden hand print painting, Deadly Choices information, our murals and staff shirts.

HOMESTAY

Balmoral's International Homestay Program provides a service of safe and supportive home environments for international students. We also help students to settle into Australian life, improve their English, and build lifelong connections while studying in a caring and inclusive school community.

HEALTH AND PHYSICAL EDUCATION

SPORTS HALL & OVAL

It's time to test yourself against the best! Take on the Bungie Run with our HPE teachers, Football Hunger Ball, Shoot it out with our Football Academy, and Test your skills with Perry and our Netball Academy! There are prizes to be won – so don't miss out!
